Description: God of Light is a brutally hard-core action beat 'em up game in which you control a warrior capable of superhuman feats, such as acrobatics and weight-bearing feats. All in combat, you need to be extremely agile, able to dodge, block, jump and throw punches and kicks in order to survive. A total of 22 varied weapons, including a crazily multi-functional staff, several melee-systems, firearms and magic spells are at your disposal to overpower your enemies. You have to keep your cool in order to avoid getting killed in this frantic fight sequence. Features: Immersive soundtrack God of Light original sound track Includes a remix of the game About the Game God Of Light: Remastered - Soundtrack: This album includes the soundtrack for the God Of Light remastered game, made by Unkle.
