**EA SPORTS FIFA is a brand of the EA SPORTS group of interactive entertainment brands. The FIFA franchise consists of sports video games published by Electronic Arts for several gaming platforms, including the FIFA Ultimate Team, EA SPORTS FIFA and Madden NFL series. The first FIFA game was released in September 1994, and is set in the year 1991, and the original game had eight teams: Real Madrid, Barcelona, Bayern Munich, AC Milan, Roma, Celtic, Lokomotiv Moscow, and AS Saint-Étienne. The sequel of the original FIFA was released in September 1995, and included the Italian Serie A league, the French Ligue 1, UEFA Champions League, World Cup 1994, and French Cup. FIFA 95 also included coverage of the 1996 U.S. National Women's Team World Cup and the 1996 Atlanta Olympic Games. The next games in the series, FIFA 96 and FIFA 97, were released in September 1996 and January 1997, respectively. FIFA 98 was released in October 1997 and was the first FIFA game to feature a player model similar to the ones seen in EA SPORTS NHL and MLB games. The following games in the series, FIFA 99 (October 1998) and FIFA 00 (September 1999), were significant changes on the series: A new player model was released, and the game's artificial intelligence was improved. The fourth FIFA game, FIFA 10, was released in September 2000. The fifth game in the series, FIFA 11, was released in October 2001, where several new features were added, such as an improved user interface, introduction of the Dream Team, and a new sportsball model. The sixth game in the series, FIFA 12, was released in September 2011, where new game modes were added and the gameplay was tweaked. The seventh game in the series, FIFA 13 was released in September 2012, where improvements and additions were done, and the series' debut on next-gen consoles was released. The eighth game in the series, FIFA 14, was released in September 2013. The ninth game in the series, FIFA 15, was released in September 2014. The tenth game in the series, FIFA 16, was released in September 2015. The eleventh game in the series, FIFA 17, was released in September 2016. The twelfth game in the series, FIFA 18, was released in September 2017, and the thirteenth and latest game in the series, FIFA 19, was released in September 2018. What is FIFA Ultimate Team?
